PLUS £445.37 towards new books from the proceeds of the Book Fayre!

Over the summer, the Heads of Schools will decide what this money will be spent on to benefit all the children across both the infant and junior schools. We are very excited to see what they choose.

Thank you so much for all your support - this is a great team effort from everyone!

There will be brand new team of parents running the Friends from next year, but they still need your help and ideas. There will be an AGM scheduled for September/October which we will let you all know about - please do come along to support the new members.

Have a lovely Summer Holidays,
Best Wishes,
Zara, Chloe, Alex, Hayley and Holly
