

Our Children's Learning Policy

Ask Questions

I am curious about things and people
I can practise a question in my head before answering it
I listen carefully so I can ask relevant questions
I am not afraid of not knowing

Manage Distractions

I am aware of things that may distract me
I can ignore the things that may distract me
I can think of a way to manage my distractions
I can quickly settle back into learning after an interruption

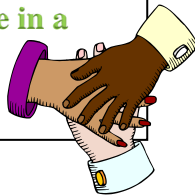

Organised

I can get the equipment I need
I can be in the right place at the right time
I can plan the next steps in my learning
I can look ahead and think what might get in the way of my learning

Work with Others

I can respect other people's ideas
I can share my ideas
I can encourage other people
I can take an active role in a group

Creative

I am happy to take risks in my learning
I can use my imagination by letting my mind explore ideas
I can come up with new ideas and link them to previous learning

Listen

I can show someone I'm listening by looking at them
I can pay attention to people
I can answer questions on what I have been listening to
I can take turns to speak

Learn from Mistakes

I can identify the mistakes I have made
I can practise correcting the mistakes I have made
I can learn from the mistakes I have made
I can change my plans if I need to

Persevere

I am not put off by being stuck
I know that learning can be challenging
I can stay focussed
I know I will get there if I keep trying

Responsible for Self

I can be trusted
I can be independent
I can get straight on with what I have been asked to do
