The Americas - Year 6 with Mr Read: Autumn 2

Curriculum News

In English, we have been writing non-chronological reports. As a class, we wrote about Emperor Penguins, before choosing our own Arctic or desert animals to research.

We have been enjoying listening to and discussing our class story, Little Badman and the invasion of the killer aunties

In Maths we have been working on multiplication and division. We have completed a lot of work on long division. Next up is fractions!

We all worked hard to design and make Anglo-Saxon houses in D.T.

In History, we loved learning about the Anglo-Saxon and Viking struggle.

What's coming up?

- In DT next half term, the children will be improving their sewing skills by creating mini tote bags and doing some cooking.
- Both World Book Day and the Festival of the Spoken Word are coming up in the Spring term - look out for more information on these!
- Planning is underway for a number of school trips in the Summer term, as well as some exciting visitors coming into school later in February.

Reminders: Please wear PE kit on Wednesdays and Fridays and name all items of clothing. PE will be indoors.
Thank you for your support with homework and spelling this term.
