Oceania Class - Year 3 & 4 with Mr White Summer 1

Curriculum News

In English, we have been writing our own version of the myth Theseus and the Minotaur. We have focused on using precise vocabulary and varied sentence structures.

Our Class story has been 'The Midnight Gang' by Michael Morpurgo. Have you read any other stories by him?

On one of our RE days, we learned all about places of Pilgrimage for different Religions.

In computing we looked at how to collect and log data. We found the quietest, brightest and warmest parts of the school.

In Geography, we have compared the Lake District with Norfolk, looking for similarities and differences between the two regions.

In Science, we have been investigating light and how it travels to our eyes. We identified light sources and learnt how objects reflect light. Some materials are transparent and let light travel through them!

What's coming up?

- Next term we'll be learning about the Romans and Ancient Greeks in History linking this to making an Ancient Greek pulley in DT, the names of fruits in French and teeth in science. In maths we will be learning about shape and about statistics.
- We will have our history trip on 2nd July and our Sports morning on 21st June

Reminders: Please wear PE kit on Tuesdays and Thursdays. Name all items of clothes and please bring in sun hats, water bottles and sun cream for these days if possible.
