Oceania Class - Year 3 & 4 with Mr White Summer 2

Curriculum News

In Guided reading, we have looked at extracts from this picture book based on the life of Maya Gabeira.

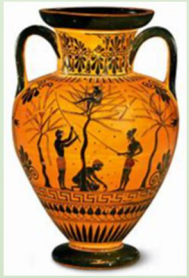

We have learnt about the properties of 2D and 3D shapes in maths.

We have used 'Scratch' to create repeated instructions during computing sessions. - ask us to show you at home how it works!

We visited the 'Time and Tide' museum to learn about Boudica, Queen of the Iceni, and how she lead a revolt against the Romans in East Anglia. We have also looked at how archaeological evidence tells us about life for the Romans in Britain.

Our final project for the year is making a Greek Vase using paper mache. We look forward to bringing these home.

We have focussed on ball control during our tennis and rounders lessons in PE. Some of us also excellently represented the school at City sports!
