The Americas - Year 6 with Mr Read: Summer 2

Curriculum News

Our writing this half term has been focussed around Clockwork: a book by Phillip Pullman.

In science, we have been learning about materials. We have completed experiments to test solubility and reversible changes.

In PE, have been practising tennis skills alongside rounders and cricket.

In maths, we have been working on a project researching holiday destinations, looking at: the climate, rainfall data, flights, accommodation and food options.

Using Google Sites, we have created websites showcasing our holiday destinations.

What's coming up?

On the 18th July, we have our trip to London!

The children will leave Woodland View at 7am and will be leaving London at 3pm, with an approximate return time of 5:45pm. The coach will be direct to the centre of London with no Tube Travel involved.

If there are any traffic delays coming home we will inform you via text of our new estimated time of arrival.
