Half-termly update - Spring 2

The weather is definitely improving and as it does we are making more and more use of our wonderful grounds! Once again, it has been a busy half term! I received wonderful feedback from Gressenhall about the wonderful manners and positive attitude of our Y5 and Y6 pupils. Our defibrillators are now connected to East of England Ambulance circuit. Mr Hill has worked with children this half term to teach them all basic first aid and the important life skill of CPR. After a very long and complicated process our outdoor classroom has been finally repaired and is watertight. Plans are under way to use it as a multi-purpose space to facilitate delivery of the science curriculum, wider curriculum and wellbeing - the next step is to reseal and paint the floor. If anyone is able to help with this we would love to hear from you - we have the sealant and paint on order! The Woodland View team are organising exciting trips for the next half term - we can't wait and hope the children are as excited as the staff are! Have a wonderful Easter break!

Please do not drop off or park on the yellow zigzag lines outside of school.

House Points

House points are awarded for many reasons and they are always linked to our school values.
As the year is progressing the amount of house points that have been awarded continues to be amazing!

Online Safety:

common sense media

Some of our young people have struggled this term to demonstrate appropriate online behaviours whilst gaming or using their phones outside of school. Mrs Jackson, our computing lead, recommends the following site to help you to support your young people:
