Geography Knowledge Map

A Region of Europe

The Italian Lakes

What are the similarities and differences between living in a European environment (Italy) and a UK village (Spixworth)?

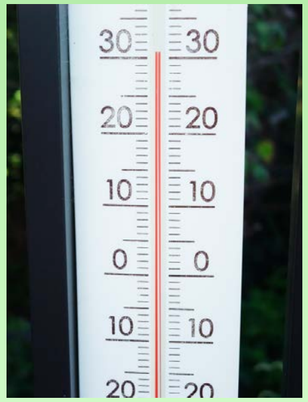

The skills I need:

- Gathering, recoding and analysing evidence
- Developing spatial reasoning
- Comparing and describing places
- Interpreting patterns
- Communicating reasoned views

Climate	Weather conditions over a period of time.
Compass Points	Points on a compass used for navigation.
Continent	A large area of land separated from other continents by natural features.
Equator	Imaginary line around the centre of the Earth..
Hemisphere	The area above and below the equator.
Longitude	Imaginary lines running around the earth, dividing it into 24 time zones.
Mediterranean	The area surrounding the Mediterranean Sea.
