History Knowledge Map

Ancient Egypt

Why did the Ancient Egyptians build pyramids?

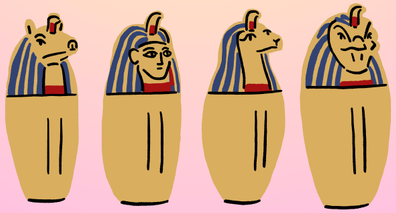

The skills I need:

- Chronological Knowledge
- Exploring the impact of significant people
- Devising historically valid questions
- Comparing similarities and differences

3100BC — ANCIENT EGYPT — 332BC

Archaeologist	Studies human history - the things people made, used and left behind.
Artefact	A man-made object.
Civilisation	A group of people sharing advanced ways of working and living.
Hieroglyphs	Writing that uses pictures and symbols.
Mummification	The process used to stop a dead body from rotting.
Pharoah	A powerful ruler of Ancient Egypt.
Pyramid	4 sloping sides which meet at a point, a burial tomb for pharaohs.
Sarcophagus	A stone coffin.
