History Knowledge Map

Ancient Greece

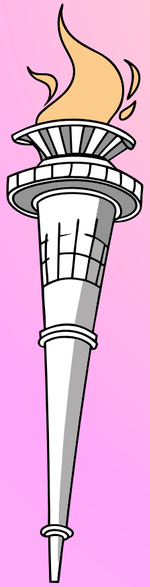

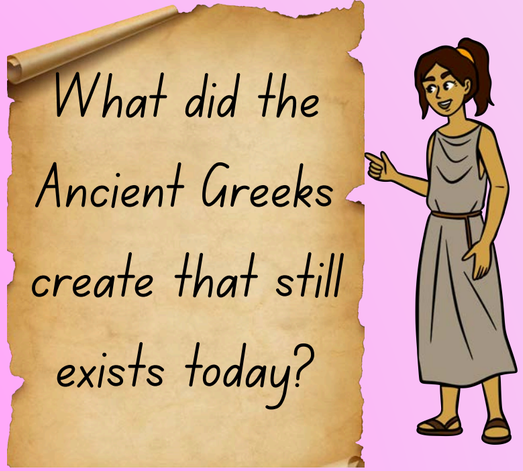

The skills I need:

- Comparing and contrasting
- Using secondary sources
- Interpreting evidence
- Considering cause and effect

Athens	The capital of Greece.
Civilisation	A group of people sharing advanced ways of working and living.
Democracy	The people elect the government and have a say in how it is run.
Marathon	From the Battle of Marathon, where an ancient Greek solider is said to have run about 25 miles from the battlefield to Athens.
Mythology	A set of stories or beliefs from a particular culture.
Olympics	Athletic competitions held in Olympia, Greece to honour Zeus.
Philosophy	Thinking – reason and inquiry to understand the world in which we live.
Sparta	A powerful city state in the 5th century BC
Temple	A place of worship and community gathering, dedicated to gods and goddesses.
Trojan Horse	A story from the Trojan war of deception and strategy to enter an area undetected.
