History Knowledge Map

Crime and Punishment

What was the most significant change to crime and punishment in Britain?

Crime	An illegal activity punishable by law.
Deterrent	Something that discourages a person from doing something.
Jury	A group of people who consider evidence and give a verdict.
Justice	Fair and reasonable behaviour/treatment.
Oath	A solemn promise.
Punishment	A penalty for committing a crime.
Rehabilitation	Helping someone not to commit more crimes to stay on the right side of the law.
Treason	A crime where a person acts against their own country.
Trial	Examining evidence and asking questions to find an answer to what has happened.
Verdict	Opinion or judgement.

The skills I need:

- Using sources to make historical inferences
- Comparing similarities and differences
- Asking questions
- Reviewing and interpreting evidence
