Geography Knowledge Map

North America

What can the differences between Spixworth and New York City tell us about living in a village compared to a global city?

The skills I need:

- Identifying and comparing
- Interpreting data
- Collecting evidence
- Understanding differences
- Developing spatial awareness

City	A large human settlement
Climate	Weather conditions over a period of time
Culture	The way of life, e.g. customs, behaviour, language, food
Landmark	A feature easily seen and recognised from a distance
Rural	Living in the country
Urban	Living in a town or city
Village	Small community in a rural area, smaller than a town
