

History Knowledge Map

Norwich - A Local Study

Why was Norwich an important hub for industry?

The skills I need:

- Understanding chronology
- Using primary sources
- Exploring and explaining
- Understanding change and continuity

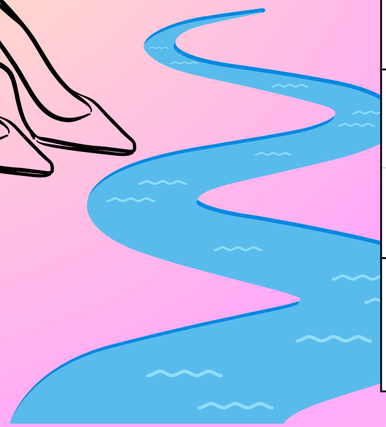

Architecture	The art and science of designing and constructing buildings.
Industry	A group of businesses that make or sell similar products e.g. agricultural industry,
Migration	Moving from one region to another.
Products	Anything made or grown to be sold.
Trade	Buying and selling goods or services.
Weaving	Making cloth by interlacing two sets of threads or yarn.
