Geography Knowledge Map

The Port of Great Yarmouth

Is Great Yarmouth more than just a seaside resort?

The skills I need:

- Locating and naming key areas
- Comparing similarities and differences within an area
- Describing physical and human features
- Interpreting maps and scales

Export	Selling goods from one country to another.
Fairtrade	Workers in developing countries get a fair price and have good working conditions.
Import	Buying good from another country.
Manufactured	Goods made by machines.
Raw Materials	Natural materials before they are made into goods.
Supply Chain	The entire journey of goods from where it starts to where it is bought.
Trade	The buying and selling of goods and services.
