History Knowledge Map

The Roman Empire: Life, Culture and Invention

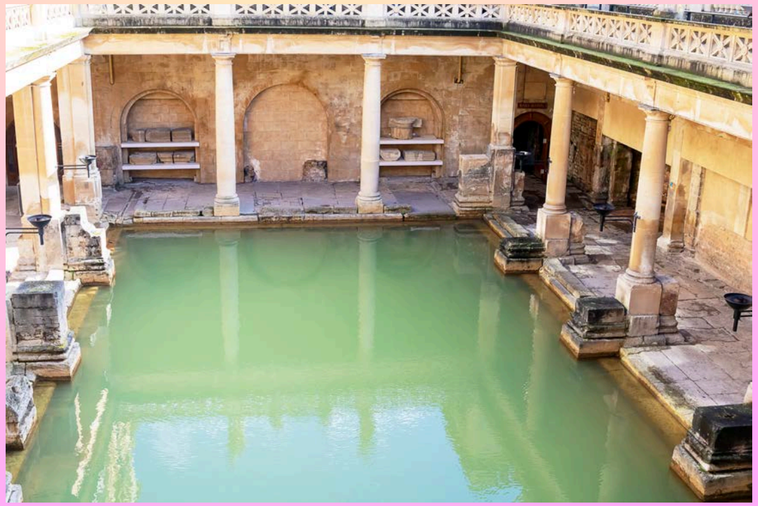

What lasting impact did the Romans leave in Britain?

753BC THE ROMANS AD476

The skills I need:

- Using sources
- asking and answering questions
- describing changes
- evaluating evidence

Amphitheatres	An area, circular or oval, with a central space surrounded by seats for spectators.
Aqueduct	Man-made channel carrying water from one place to another.
Emperor	A leader who rules over an empire, usually male. A female ruler is called an empress.
Empire	Large group of countries or regions with one ruler.
Gladiator	A special fighter in ancient Rome who fought in front of large crowds for entertainment.
Invasion	When forces from one country or group enter the land controlled by another country or group.
