Art and Design Knowledge Map

Artist Study

How do artists tell stories through their work?

The skills I need:

- Making observations about artistic techniques
- Understanding historical and social contect
- Creating drawings to tell a story or share a message
- Drawing accurate proportions

Composition	Putting different elements together.
Intention	Something that you want to plan or do.
Interpret	To explain what you think a piece of art means.
Medium	The materials used to make a piece of art.
Narrative	Recalling events whether fictitious of true.
Translate	To change a plan into a finished piece.
