Mixed Media Portraits

Can a self-portrait represent something important about an artist?

The skills I need:

- Making detailed drawings
- Refining lines and correcting shapes
- Layering media
- Comparing and contrasting ideas
- Intention-led decisoin making

Continuous line drawing	A line drawn without stopping.
Mixed-media	Different materials used to create a piece with different textures.
Monoprint	Printmaking where only one impression can be made.
Paint wash	Mixing of watercolours on a large area of paper.
Photomontage	Collage made from photographs.
Portrait	Image showing the head and shoulders of a person.
Transfer	An image attached to a surface by pressing it against the surface and then rubbing it.
