3D Sculpture - Interactive Insallation

How can we transform a space using installation art?

The skills I need:

- Manipulating ordinary objects into sculpture
- Compare and contrast ideas
- Provide detailed evaluations
- Adapt work following feedback and self-reflection

Concept	The idea behind an artwork.
Installation art	Three dimensional art that aims to transform a space.
Mixed media	Using different materials together to create a piece with different textures.
Scale	The size of an artwork.
Special effects	Images that appear real but are created by artists.
Three-dimensional	Shapes with three dimensions such as width, height and depth.
